

Damiano and Zemba, Instructors for Introduction to Air Emissions at Landfills Course

APRIL 8, 2018

Join Sanborn Head's Lisa Damiano, P.E. and Stephen Zemba, Ph.D., P.E. along with David Greene, P.E. with SCS Engineers for an Introduction to Air Emissions at Landfills.

This course will be held on Monday, June 25 (8 a.m. – 12 p.m.) at the Air & Waste Management Association's 111th Annual Conference & Exhibition in Hartford, CT. This team of experts will provide an overview of landfill air emissions basics, including relevant air regulations, how landfill gas is generated and how to model it, common air emissions sources, air dispersion modeling, and emerging air contaminants of concern. Register today by following the link to the [Conference website](#)!
