

Jennifer Sanborn and Douglas Barbosa Featured in GBA Podcast

JANUARY 12, 2023

Geoprofessional Business Association (GBA) Podcast episode, “We Were Hacked” features Sanborn Head’s [Jenn Sanborn, PE](#) and [Doug Barbosa](#).

The episode focuses on the potential threats of cyberattacks and how firms can avoid them. It outlines the importance of purchasing Cyber/Ransomware insurance, replacing old computers, updating/upgrading security software and apps, training staff on cyber security and anti-phishing protocols, bringing in an outside cyber expert to evaluate your systems, leadership, and employee and client resilience.
