

Lemieux (Caprood) Featured by EWB-USA

JUNE 27, 2018

Engineers Without Borders USA (EWB-USA) recently posted an interview with Sanborn Head's Heidi Lemieux about her work in Uganda.

Heidi and six members of the EWB-USA's New Hampshire chapter traveled to the Buyende District this past spring to install wells to deliver clean water to over 9,000 people living in the area. Follow the link to read, "[A Conversation With Volunteer and Corporate Champion Heidi Lemieux.](#)"
