

Pinto Presents at Boston Bar Association

APRIL 12, 2018

Tricia Pinto, P.E., LSP, with Sanborn Head & Associates will be discussing Conducting Environmental Due Diligence at the Boston Bar Association on April 12.

She will be reviewing critical decisions of when and how to conduct due diligence in transactions that involve complex environmental factors. As an LSP, she will be talking about industry standards and provisions. Follow the link to learn more about the [CLE – Conducting Due Diligence and Allocating Risk in Environmental Transactions](#) session.
