

Sanborn Head Sponsors IECA Northeast Virtual Conference

NOVEMBER 17, 2020

Sanborn Head is a proud sponsor of the International Erosion Control Association (IECA) Northeast Virtual Connection: Building a Stronger Site Management Toolbox event being held from November 17 – 19. This three-day on-line Conference features well-known regional experts on topics that are designed to build the skills needed to improve site management.

The Conference begins with Sanborn Head's Eric Steinhauser, PE, CPESC, CPSWQ moderating the Panel Discussion: A Vision for the Future: The Northeast Chapter of the IECA. The discussion will focus on how the 2020 pandemic has forced businesses and professional organizations like the IECA, to adopt new methods of communicating. The Chapter will discuss how it is proactively working to provide valued content to its members and the erosion control industry as a whole.

In addition, many of the educational sessions being offered at the Conference are eligible for Professional Development Hours (PDHs) through the Registered Continuing Education Program (RCEP). To find out more about PDHs opportunities and to register for the Conference visit the [IECA Northeast Chapter website](#).
