

Steinhauser Appointed to NH Waste Management Council

APRIL 30, 2019

Sanborn Head is proud to announce the recent appointment of Eric Steinhauser, P.E., CPESC, CPSWQ to the New Hampshire Waste Management Council.

Eric was appointed to represent Licensed Sanitary or Environmental Engineers by the Governor and Executive Council on April 17. The Waste Management Council is composed of thirteen members representing industry, business, municipalities, public health, academia, and conservation commissions. As a voting member, Eric will have the opportunity to consult and advise the New Hampshire Director of the Waste Management Division in regard to policy, programs, goals and operations. Eric completed the oath of office on April 30 and will serve a four-year term.
